

PELI™

1975Z0 Flashlight

Description

Stay trim and powerful in the danger zone. With ATEX Zone 0 (Category 1) certification, 117 blinding bright lumens, and a true penlight size and shape, the Peli™ 1975Z0 torch is the slimmest and brightest safety approved penlight.

Engineered with an aluminum core and anti-static impact modified PC/PBT, the Peli™ 1975Z0 penlight can survive tough work environments, yet is slim enough to snap into the available helmet mount or hold with your teeth. The 1975Z0 activates with a click of the tail switch or light pressure for momentary use.

The Peli™ 1975Z0 penlight: Make danger your pen pal.
